Внимание!

Инструкция по монтажу предназначена исключительно для квалифицированного работника.

Перед началом работ по установке, необходимо осмотреть все детали на отсутствие повреждений, которые могли быть вызваны транспортировкой, после установки претензии по внешнему виду, целостности и комплектности Товара не принимаются.

Во избежание возникновения дефектов при установке изделия необходимо внимательно изучить данную инструкцию и соблюдать все этапы сборки.

Компания несет ответственность только за производственные дефекты.
